

This sheet shows the courses that you could follow as part of your Key Stage 4 studies according to your recommended pathway.

Use it as a guide to consider your subject combinations. It is important that you have listened to, and followed, all the advice you have been given before you make your choices, as changes are very difficult to make once a course has been started.

Name:

Tutor group:

Guided Choices Pathway recommendation: **Access Pathway**

This means that you will study:

GCSE English Language

GCSE English Literature

GCSE Mathematics
