

This sheet shows the courses that you could follow as part of your Key Stage 4 studies according to your recommended pathway.

Use it as a guide to consider your subject combinations. It is important that you have listened to, and followed, all the advice you have been given before you make your choices, as changes are very difficult to make once a course has been started.

Name:

Tutor group:

Guided Choices Pathway recommendation: **Ebacc Pathway**

This means that you will study:

GCSE English Language

GCSE English Literature

GCSE Mathematics

GCSE Science (or Triple Science by separate recommendation letter)

You must also select the following – 1 per column below:

GCSE History and/or Geography

GCSE French and/or Spanish

2 further specialism subjects (1 if Triple Science is chosen following separate recommendation letter)

W	X	Y	Z
Business	Business	Design & Technology	[Curriculum Access*]
