All the information specific to the summer GCSE timetable for the 2027 exams is available here. The GCSE exam schedule is a national schedule, set by Awarding Bodies in accordance with JCQ and one that Brighton Hill Community School has no control over, with the exception of any exam clashes that have special considerations attached to them. The exam schedule must be adhered to by all candidates.

We very much look forward to the class of 2027 engaging fully in the extensive preparatory support that is being provided both in class and beyond. Experience tells us that effort equals success.
