Our Commitment

We promise to give every student high-quality, inclusive, and adaptive teaching so everyone can learn and succeed.

Who We Support

We include and support all students, including those with SEND.

SEND means a student may find learning harder or need extra help.

How We Help

Teachers change (adapt) lessons so everyone can take part.

Some students get extra help in small groups or one-to-one.

Some students have an EHCP, which explains what support they need.

We provide reasonable adjustments in classrooms and to our behaviour policy to ensure every child can achieve their best

Working With Families

We listen to students and families and plan support together.

Accessibility

We make classrooms, activities and trips accessible for all.

We remove barriers so every student has the chance to do well.
