Our Commitment

We promise to give every student high-quality, inclusive, and adaptive teaching so everyone can learn and succeed.

Who We Support

We support students who have special educational needs or disabilities (SEND). This includes students who find learning more difficult or who need extra help.

How We Help

Teachers adapt lessons so all students can take part.

Some students receive extra help in small groups or one-to-one sessions.

Some students have an Education, Health and Care Plan (EHCP), which explains what support they need.

We provide reasonable adjustments in classrooms and to our behaviour policy to ensure every child can achieve their best

Working With Families

We listen to students and families and work together to plan the best support.

Accessibility

We make sure classrooms, activities and trips are accessible to everyone.

We remove barriers to learning so every student has the chance to do well.
