SEND POLICY INFOGRAPHIC SUMMARY

OUR COMMITMENT

Inclusive Education Focus

The school commits to inclusive teaching that supports all learners, including those with special educational needs and disabilities.

Adaptive Teaching Methods

Flexible teaching approaches are used to meet a wide range of student needs and learning styles.

Collaborative Support

The school works closely with students, families, and professionals to provide targeted support and foster student success.

Empowering Students

The goal is to empower every student to become confident individuals who engage fully in school and beyond.

WHO WE SUPPORT

Comprehensive SEND Support

The school supports students with diverse SEND needs including learning, communication, and sensory challenges.

Inclusive School Environment

Inclusion is embedded in teaching, pastoral care, and extracurricular activities for full student participation.

Equal Opportunity for Success

The school believes all students deserve equal opportunities to succeed academically, socially, and personally.

HOW WE HELP

Adaptable High-Quality Teaching

Teachers modify activities and materials to ensure all students access learning at the right level.

Targeted Additional Support

Small-group or one-to-one interventions provide extra help tailored to individual student needs.

Personalized EHCP Strategies

Education, Health and Care Plans guide personalized support for students with specific requirements.

Collaborative Support Approach

Staff work closely with families, specialists, and agencies to ensure effective, ongoing support.

WORKING WITH FAMILIES

Collaborative Decision Making

Parents and carers are actively involved in decisions about their child's learning and support plans.

Early Communication of Concerns

Initial conversations about concerns help tailor interventions and improve student outcomes.

Ongoing Progress Review

Regular reviews of progress keep parents informed and adjust support strategies as needed.

Building Trust Through Communication

Transparent communication builds trust and ensures coordinated support inside and outside school.

ACCESSIBILITY

Inclusive Learning Environment

The school adapts physical spaces and teaching practices to support all students' access to learning.

Assistive Technologies

Assistive tools are provided to support students with physical or sensory needs in their learning journey.

Inclusive Activities

School trips, sports, and enrichment activities are designed for equal participation by all students.
